

KETTINS PARISH HALL

NEWSLETTER NOVEMBER 2015

ANNUAL GENERAL MEETING 28TH SEPTEMBER

Russell Miller, our Chairman reported that we had made significant progress over the last year.

We have achieved the following

- Planning Consent is in place and this has allowed us to move on with the project
- Funding is available for the site purchase; the terms for the purchase had been agreed and this would now be progressed.
- Grants from various sources to fund the site works
- Fenced the site
- Formed the temporary car park and moved the garage.
- Raised more than £6000 through various events

Much of this work had been done by volunteers with a significant input from members of the public which was greatly appreciated. This year we also had stalls at the Fete, a Sponsored Walk and the Charity shop which have raised more than £3000. Our chairman expressed his thanks all members and the members of the public who had supported our efforts.

Thank You

We have received a very generous donation of £110 from Ross and Sandra Yeaman. This was collected from donations received at their Open Day. If you didn't make it you missed a super day where the weather, the warm welcome and the splendour of the vintage vehicles made it a special day for all.
