KETTINS PARISH HALL NEWSLETTER – JANUARY 2015 FUNDING SUCCESS

We have been successful in our Funding Bid to the Scottish Land Fund. We have been awarded a Grant of £25,428. This will allow us to buy Lindsay Park and a part of the adjacent field from Hallyburton Estate. This award is just the beginning for us. It is the culmination of more than a year's effort but more importantly, it is the catalyst for a number of improvements to Lindsay Park.

We have been awarded a Grant of £6,950 from Perth & Kinross Council, Environmental Challenge Fund and Grant of £500 from Thomson Charitable Trust and £600 from the Cairncross Trust. These are to be used to fund the first phase of works.

PLANNING APPLICATION

Our Planning Application for the proposals has been approved by Perth & Kinross Council. The plans for the application were prepared by Hamish McKelvie of JWM Design.

WORK STARTS THIS MONTH

The Grants mentioned above will allow us to make a start, and do some initial improvements. This will involve fencing off the site, the removal of a tree to improve access, moving a garage and forming a car park which will alleviate the existing parking problems. Work on these areas will start during January 2015.

FUND RAISING

Our Fund Raising efforts in the lead up to Christmas involved the Charity Shop, Christmas Raffle and a Coffee Morning. Thanks to the efforts of all involved we raised nearly £3000. This was a tremendous effort. We are planning a Quiz Night and another Beetle Drive in the next couple of months. Watch out for further details

We are always looking for volunteers to assist us. If you are interested in what we are doing and you want to get involved in the project please speak to any committee member or email – russ.miller@btinternet.com
